

## Li Pon on Clouds and Love: Love is love

Sky clear  
not even  
a trace  
of a cloud,

a thread,  
or a single  
filament  
of doubt,

as Li Pon  
elegant  
calligrapher

writes  
with his  
finger  
to the  
heavens,

like a  
skywriter with  
a biplane,

*Love*  
*is*  
*Love.*

It hovers above  
Blue Heron  
Pond like  
a blessing  
and the south  
spun wind  
takes it round  
the world.

*Love*  
*is*  
*Love.*
